Objet : Evaluations.

Greetings Mohamed,

I trust this note finds you and your teams in good health and spirits.

Once again, many thanks to you and your teams for the super work you did with both the SS and Tiger ROV's. Without a doubt, our job would have gone on for a long time without the great team work and expertise you and I look forward to working again with you when the well restarts.

All 5 of the evaluation forms are attached to this e-mail - kindly revert if any are missing.

Best Regards,
Jack
