

SAROST DIVING EQUIPMENT LIST OVERVIEW

- 01 Air conditioned container with A Twin lock decompression chamber RDO 1500 and diving control panel
- 01 Single lock decompression chamber RDO 1200
- 02 working container with HP compressor, variable tools and safety equipments
- 01 Diesel LP compressor
- 03 HP compressors
- 02 underwater video camera with 120 m umbilical and monitors
- 02 underwater still camera
- 01 Integrated Communication and diving Panel spread as per IMCA D 015
- 02 underwater thickness measurement apparatus *CYGNUS 1*
- 02 bathy-chorometer for Cathodic Protection measurement *Roxby*
- 03 umbilical of 120 m length
- 02 umbilical of 50m length
- 02 Super light KMB 17 & 02 KMB 10 masks & 02 KMB 28 helmets
- 04 gas analyser monitors
- 20 racks of 12 cylinders of *Heliox* , Air and Oxygen
- 04 diving communication units
- Scuba cylinders with variable capacities
- Variable U/W lifting equipments
- Underwater Brocco cutting & welding line 120 m
- Full Underwater suits
- 02 inflatable boats with outboard engines
- Hydraulic power pack with variable underwater hydraulic tools
- 01 Sur-pressor
- 01 Diving Basket designed with 2 winches , one hydraulic and one air winch
- 02 U/W MPI welding control systems
- 01 ROV Super Seaker 3
- 01 Tiger ROV with TMS & full option

All our diving equipments are Tested, Certified and meeting the IMCA standards.

A view of some of our Diving equipments

Kirby Morgan Helmets with umbilical

Kirby Morgan Helmet KMB17

Portable High Pressure Compressor

High Pressure Compressor

*Roxby apparatus for underwater
Cathodic Protection measurements*

Generator

*Cygnus 1 thickness
Measurement*

*Internal view of the
Twin lock decompression chamber*

NIKONOS 5 Still Camera

Hydraulic Power pack

Decompression Chamber RDO 1200

Medical oxygen

*Breathing air and Mixed gas -oxygen/helium 20/80
and 50/50*

*Integrated diving control panel
and communication*

Diving control panel in control container

Low Pressure Compressor

Wet-Diving Basket

Gas Suppressor

Video monitoring and recording system

U/W Portable digital video camera

Digital photo Camera
